

Wall Colmonoy Ltd

Environmental Sustainability Policy

Environmental Sustainability Policy

Wall Colmonoy UK Limited is committed to promoting good sustainability practice taking into account the economic, social and environmental aspects and impacts of the business activities, to help our customers and business partners to do the same

Our Principles are:-

- 1) To comply with, and exceed where practicable, all applicable legislation, regulations and codes of practice.
- 2) Maximise the efficient use of energy and materials, to recycle where practical.
- 3) New business development shall take account the social, economic and environmental impact on future generations when making decisions and be a responsible partner in society.
- 4) The policy shall be implemented through the ISO 14001 management system of the company.
- 5) To ensure that all staff are fully aware of our sustainability policy and are committed to implementing and improving its effectiveness.
- 6) To review the policy annually and ensure that the best available techniques are implemented to ensure that the sustainability policy is maintained in line with technological improvements.

Signed:

N J ALLNATT
Managing Director

Policy last reviewed on 5th March 2008.
